

Calibration Gold Service

Benefit from the extensive service offer and save money.

” Martin Opfermann
Product Manager for temperature calibrators

Best service from the manufacturer

The SIKA Gold Service

Profit from our exclusive service

With the purchase of your SIKA temperature calibrator you have already done everything right. Thanks you for the confidence you have placed in us.

So that you can use your calibrator long and reliably, we offer you a special allround service.

The SIKA Gold Service is your ticket to a comprehensive service package as part of the regular recalibration of your temperature calibrator.

Benefit from exclusive price advantages and discounts as well as special offers reserved for SIKA Gold Service members.

- Have your SIKA temperature calibrator recalibrated 3 times by the manufacturer and **save 33%**.
- Get an **additional 10% discount** on any necessary repairs.
- **Exclusive special offers** like e.g. invitations to product presentations or discounts.
- **Priority invitation** to symposia, practice days and exclusive trainings.

And it's so easy to save money

Apply for membership of the exclusive SIKA Gold Service via gold-service.sika.net or the QR Code indicating the serial number and the required calibration certificates.

You will then receive an offer for this service from us. After confirmation you will benefit from our exclusive SIKA Gold Service.

Costs for the SIKA Gold service

3x Factory calibration (per function): **668,00 € (Savings: 334,00 €)**

3x DAkkS calibration (per function): **1710,00 € (Savings: 855,00 €)**

*Nothing is as safe as the service at the manufacturer.
SIKA sets highest standards in manufacturing and recalibration.*
